Certification amendment details

| Date | Comment | BSI Internal Project No. |
|----------------|---|--------------------------|
| December 2018 | First issue to PPE Regulation 2016/425. Products previously certified to PPE Directive 89/686 on BSI certificate CE 596256. | 0086:18:8997442 |
| February 2019 | Replacement of yellow silicone head harness with black natural rubber head harness on Promask Silicone variants. Remove the silicone spider head harness from the Promask Black model description. | 0086:19:9719483 |
| September 2021 | Product re-branding from Scott Safety to 3M. Product identification changed from Promask to FF-300 Series and removal of the Promask Silicone. | 2797:21:3371859 |
| December 2023 | Amendment due to certificate's 5 years expiry renewal. | 2797:23:30048690 |

The Certificate holder is responsible for ensuring that the Notified Body is advised of changes to any aspect of the overall processes utilised in the manufacture of the product, failure to so do could invalidate the Certificate in respect of production following the introduction of such changes.

Monitoring of manufactured PPE

The validity of the Certificate for the products is also dependent on the maintenance of the EU Conformity to Type based on Quality Assurance of the Production Process, Annex VIII (Module D), as referenced on BSI issued Certificate CE 01547.
